¡BIENVENIDOS!

Welcome, students and parents, to Spanish 2!

I am looking forward to a great year as we explore Spanish language and culture.

My goal is that as you develop your language skills, you become more comfortable and confident about your ability to communicate in Spanish and that you become increasingly aware of the similarities and differences between your native culture and Spanish culture. I hope to have a part in preparing you for the global economy of the 21st century where fluency in another world language is vital.

I encourage you to take advantage of any opportunity you have to use the Spanish that you are learning. You can listen to music, watch movies (including on Netflix) and television and read in Spanish.

I look forward to seeing you in Spanish class and extend my best wishes for an enjoyable and successful year.

Sincerely,
Señora Karla Estrada

Student Supply List for Sra. Estrada's Spanish class

composition notebook	fun color pen for corrections
binder	highlighters – different colors
notebook paper	markers or colored pencils
blue or black pens	glue sticks

There will be classroom supplies in my classroom for students to use. BUT, if you do not want your child to use shared materials, PLEASE have your child bring those supplies to class for them to use. And as for the Wish List below, these are items that would benefit all students. If you would be able to donate them for the classroom, it would be GREATLY appreciated. Glue sticks and tissues are the most widely used items. And as for the last two things on the list, if you have them hanging around your house, I can take them off your hands. GRACIAS. 😊
